

## **Daily Update**

April 26

### **Geological Work**

Devil's Slide (post mile 39.14)

- Drilling operations to install inclinometers continues.

Slide at Post Mile 39.77

- Work continues to develop the repair design.

### **Repair Work**

Slide at Post Mile 40

- Work continues to rebuild the hillside with rocks for the foundation. The repair is approximately 25% complete.

### **Traffic Issues**

- A Caltrans employee from Traffic Operations attended a meeting with the CHP, Half Moon Bay Police, and the Sheriff's Office to review traffic issues along Highways 1 and 92. This is part of the ongoing effort to ensure agencies efforts are coordinated and focusing on the most urgent traffic problems.
- A traffic camera has been installed at the junction of Highways 1 and 92 in Half Moon Bay. Images are available at:

<http://www.dot.ca.gov/dist4/stormdamageroute1>

Click on the link under Live Traffic Camera.

### **Highway 92 Maintenance**

- A 'sweep and clean up' is scheduled to take place early Saturday morning at 4:00 a.m. This will clear small amounts of debris that have accumulated without affecting traffic flow.
